The condition of Augustus deteriorates rapidly. He with time he realizes that he likes a lot, but he knows that he will give him damage when he dies. The last words of the novel come from Hazel, who says she so. He died of cancer when he had eight years old, and an imperial affliction was his literary attempt to reconcile with the death of him. However, there is a problem: the parents of her and the team of doctors of her do not believe that Hazel is strong enough to travel. To the next day, Augustus confesses that Hazel was in the UCI, they made a corporal scanner that revealed that her cancer had returned and had spread everywhere. Hazel is more concerned about the destiny of Anna's mother. She hoped that she also like the choice of her. Augusto dies eight days after. Hazel steals a line of Van Houten about infinite larger and more small. As this change occurs, she stops calling him august and begins to refer to him as Gus, as the parents do. Little after Augustus invites Hazel to a picnic. She is there to support her friend at ComAn, Isaac. She compares herself with a grenade. They return to the hotel where they make love for the first and unique time. Hazel explains the magnificence of An Imperial Affliction: It is a novel about a girl named Anna who has cancer, and she is the only story she has read about living with cancer that coincides with her experience. Augustus had osteosarcoma, but now he is free to cancer after his leg amputated. Finally Hazel finds out that Augustus sent the pages to Van Houten because he wanted Van Houten to use them to compose a well-written pancake on Hazel. Hazel recognizes that she loves him as much as always. Lidawij forces Van Houten to read the pages and sends them directly to Hazel. Before Augustus takes Hazel home, they accept reading the favorite novels of others. Due to her cancer, she uses a tank of oxygen to breathe properly. Hazel Grace Lancaster, of 17 Bursters, attends the scale to a patient of Cancer Cancer group at her mother's behest. He had hinted about writing a sequel to An Imperial Affliction for her, and as Hazel scrambles to locate the pages she encounters Van Houten once more. She says how much she loves Augustus, and that she would not trade their short time together for anything in the world. Augustus gives Hazel The Price of Dawn, and Hazel recommends An Imperial Affliction. The situation seems hopeless until one of the physicians most familiar with her case, Dr. Maria, convinces Hazel's parents that Hazel must travel because she needs to live her life. He becomes vulnerable and scared, but is still a beautiful boy in Hazel's mind. It turns out he's planned an elaborate Dutch-themed picnic where he reveals that a charitable foundation that grants the wishes of kids with cancer has agreed to grant his: he's taking the two of them to Amsterdam to meet Van Houten. She describes how the novel maddeningly ends midsentence, denying the reader closure about the fate of the novel's characters. She figures that if Anna's mother survives her daughter's death, then her own parents will be alright after Hazel dies. She speculates about the novel's mysterious author, Peter Van Houten, who fled to Amsterdam after the novel was published and hasn't been heard from since. Isaac had a tumor in one eye that he had removed, and now he has to have his other eye taken out as well. Hazel reveals she has thyroid cancer that has spread to her lungs. The two leave Van Houten's in utter disappointment, and accompanied by Lidewij, who feels horrified by Van Houten's behavior, they tour Anne Frank's house. He says getting hurt in this world is inevitable, but we do get to choose who we allow to hurt us, and that he is happy with his choice. He invites her to stop by if she is ever in Amsterdam. A week after Hazel and Augustus discuss the literary meaning of An Imperial Affliction, Augustus miraculously reveals he lezaH a acreca es sutsuguA. n' Ainuer al enimret euq ed s' AupseD. lezaH a rev arap larenuf us a rinev la madretsmA a ejav le raniurra a rasnepmoc netuoH naV a ' igixe otsuguA euq y aicnednopserrac al noreivutnam suG y I A euq acilpxe netuoH naV. alevon al ed augibma n' isulcnoc al raralca ed aznarepse al noc. netuoH nav a raivne arap satnugerp ed atsil anu aedi alle y ,lezaH noc netuoH naV ed atrac al etrapmoc eS. ajih us ed erbmon le euf annA euq ocharrob alevor I. anosrep ne lezaH ed satnugerp sal a rednopser adop olos euq odneicid ,ednopser etnemlanif netuoH naV. satnugerpP. lezaH sol ed onugin a rednopser edeup on euq amirra euq onlugzem utirpse ed ocharrob nu se. ociflorp oing nu ed ragui ne, euq nartneucne. netuoH naV noc nartneucne es otsuguA y lezaH odnauc orep ,madretsmA a ri arap lezaH ed eram al y ,lezaH. otsuguA arap necah es senalp sol. ,larenuf le ne netuoH naV a rartnocne a ednerpos es lezaH. odaseretini jtse on lezaH orep. annA ed eram al ed onitsod le etnemartcstba alevor netuoH naV alle arap ogie odneibrcse abatsse otsuguA euq lezaH a amrofni CAASI. s' Aupsed sad sonU. n' az ar anugla rop etnalicav etneis es ,ortsor us acot odnauc orep. adnatnace jtse alle. reccnAc le noc saicneirepxe sus netucsid sod sol ,otar le rasal la y ,alucleap al rev arap asac us a lezaH a ativni. sutsuguA ed sarbalap sal odneyel LEZAH noc eyulcnoc alevon al. soigola nad el lezaH y caasi y ,omsim s arap larenuferp nu azinagro otsuguA. sad somitA sus nE. adanarg al aroha se sutsuguA euq ed atneuc ad es lezaH y ,silopanaidni a nasergeR. serodatcpep sol ed osualpa le atсах. ocitnjAmor oseb nu netrapmoc lezaH y sutsuguA. arig al ed lanif IA. And our memories are short: we forget we've seen the results of societies blaming one group or another as the source of all problems throughout history, or think "this time it's different."
